

Discover more through
ENCORE!

a six-month
ENCORE
discovery program
for women

WHO should attend:

Women fifty years and wiser
who want to determine what's next

WHAT you can expect:

A three-day retreat accompanied by
six months of personal coaching

Experience breakthrough results
in a boutique program setting

WHY you should attend:

Find **purposeful** work
that feeds your **passion**

Work **on your terms**

Be **intentional** about
your choices

Uncover new **possibilities**

Join a **network** of dynamic
like-minded women

Enjoy fresh food, **fun & rejuvenation**

Women have the capacity
to change the world.

Women fifty years and wiser
have talent and energy that
too often goes untapped.

Let's change that.

HOW the ENCORE Discovery Process Works

“The program was literally life changing for me. My eyes and heart were opened and I was able to realize that I had been denying myself happiness by choosing an uninspiring career path. I was able to ‘dig deep’ and remember what my heart’s desire had been many years ago and now am taking steps to realize that dream.”

-S.H.
